Re: Proposed annexation to the

"Aviation Boulevard Strip
Territory No. 1" (Exclusion
from City of El Segundo)

Dear Sir:

At the meeting held on January 25, 1956, the County Boundary Commission reviewed the boundary description and map submitted by Mr. Robert L. Webb, Jr., City Engineer, City of El Segundo, Public Works Department, with his letter of January 6, 1956, of the proposed annexation of territory to the City of Los Angeles.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Dear Sir:

SUBJECT: City of Los Angeles - Annexation
"Aviation Boulevard Strip Territory No. 1"
(Detachment from City of El Segundo)

Pursuant to your request of January 6, regarding the proposed annexation "Aviation Boulevard Strip Territory No. 1" to the City of Los Angeles, we have reviewed the legal description of the boundaries submitted by the City of El Segundo and find that, although these boundaries do not create islands or corridors of unincorporated territory, and do conform with lines of assessment as nearly as practicable, the description requires some revision to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

Therefore, we have prepared the enclosed revised description of boundaries, which we recommend that the Commission approve and forward to the City of El Segundo.

A map showing other boundaries in relation to the boundaries of this proposed annexation, and all original papers regarding this matter are enclosed.

Yours very truly,

John A. Lambie
